Jay Gajera

UI/UX & Graphic Designer

Creating easy-to-use digital experiences with creativity and attention to detail. With **3+ years of experience**, I love turning ideas into designs that people enjoy using. Always pushing to make things better for clients and their users.

EXPERIENCE

UI/UX & Graphics Designer | UpForce Tech (Aug 2023 - Present)

- At UpforceTech, I've worked on various projects, both for our company and our clients, improving my skills in many areas.
- From creating eye-catching web design dashboards to developing simple and effective logo designs, I've explored the world of visual communication.
- My love for innovation is clear in every project, whether it's creating interesting social media posts or designing smooth user experiences for software products. At UpforceTech, I enjoy the challenges of the digital world, always aiming to deliver impactful results.

UI/UX Designer Intern | Tech Next Studio (Nov 2022 - July 2023)

- At TechNext Studio, I worked closely with teams to understand user needs through research, wireframing, prototyping, and UI design.
- I led efforts to understand user needs and turned these insights into effective design strategies for smooth digital experiences.
- During my time at TechNext Studio, I promoted an iterative design process, continually improving solutions to exceed user expectations and achieve great results.

Graphic Designer | Brainybeam Technologies (May 2022 - June 2022)

- As an intern, I focused on creating a strong branding portfolio, working on graphic design basics and improving my creative skills.
- During my internship, I worked on various projects, gaining valuable experience and building a solid foundation for a career in graphic design.

Graphic Designer | Shreenathji Design Studio (June 2021 - Nov 2022)

- Shreenathji Design Studio has worked with over 20 clients and completed more than 35 projects.
- We specialize in website design, invitation design, and branding projects, turning ideas into engaging digital and print experiences.
- Committed to creativity and excellence, Shreenathji Design Studio provides custom solutions that meet clients' goals and make a lasting impact on their audiences.
